Forty-Six People Killed and Many Wounded in a

TERRIFIC

Due To Careless Handling of
Explosives.

SOFIA, Bulgaria, Aug. 9.—A disastrous explosion occurred at the cartridge factory of Rustohuk, on the Danube, 189 miles northwest of Varna. Forty-six persons were killed outright, and very many others were injured.

The cause of the explosion is not known, though it is attributed to carelessness on the part of one of the workmen in handling the explosives.

Mr. Kirsch applied it to the forehead of her little boy with bare feet and wearing but little clothing was lying on the floor.

It was not noticed that the gasoline had filled the room with vapor, and Mr. Kirsch, who was standing near the door, coughed the promise of the wives of the working miners to attend the meeting and bring their husbands. The result of the meeting was the assurance from nearly a hundred men that they would join the strikers.

Miss Anna Hubert of Martin, Miss Kirsch's niece, told Wednesday night that she has been in good health apparently vigorous, the doctors are generally unable to account for the strange case.
